I saw one of the youtube videos of Mr. Sujoy and I'm immediately interested to learn from him. I can tell that he knows everything about the topic and well experienced in management. The training session helped me a lot as a new grad student. Before I had no idea what I'm doing but after the training, I feel like an expert in the software and the applications in management.

I recommend Mr. Sujoy to be your trainer as he takes care of you, especially when you're a beginner and want to improve your skills in MS Project. [See less](#)

Mr Sujoy Dutta is a very passionate instructor, which I observed and felt personally. His commitment towards any training is a reflection of single minded dogged approach for the team to understand each element of what he teaches. He has an amazing patience in teaching and clearing doubts any number of times. His knowledge, patience and passion towards teaching beyond the limits of time, makes him desirable by many, as a good consultant.
